**ENTRY:** Entries will be accepted in accordance with the FIS quotas and rules. Entry must go through Winter Games NZ online registration system.

The main purpose of the online system is to replace the manual process of submitting paper-based entry forms by fax or email. The information required to enter is the same as on the FIS forms you would usually submit. You can print a copy for your own records. The link below is only accessible to the National Sport Associations for submitting team entries.

The Registration process works as follows:

1. Click on the link provided to National Sports Associations via email. If your National Association hasn't received it please contact [Wayne@wintergamesnz.com](mailto:Wayne@wintergamesnz.com).
2. Create a user account for the online system.
3. Once activated you can create teams and add athletes and officials. After you submit a team, you can log back in and edit your team. You can add or remove athletes, edit athletes and officials at any time until registration closes. It will automatically update on our system.
4. To get confirmation of your entry sent to your email, click the button "Send Team list as PDF".
5. Encourage your team athletes to submit their athlete biographies at [www.wintergamesnz.com/accounts/register/](http://www.wintergamesnz.com/accounts/register/)
